

OFFICIAL STATEMENT

POSTPONEMENT OF STUDENT RETURN TO CAMPUS

Universiti Malaysia Sarawak (UNIMAS) would like to advise students to postpone their return to the campus for the period of 1 August to 14 August 2020, even though they have secured the permission to return. This decision is made to ensure student safety and wellbeing following the rise in COVID-19 cases in Kota Samarahan and Kuching.

The Sarawak Disaster Management Committee has decided that Malaysians from West Malaysia, Sabah, and Labuan who arrive in Sarawak will undergo mandatory quarantine. Sampling will be taken on the second day. The quarantine and sampling costs will be borne by the individuals themselves, except for Sarawakians, whose costs will be fully borne by the Sarawak Government.
