## Call for Papers

CITA 2021 is a regular series of biennial conference organised since 1999 by the Faculty of Computer Science and Information Technology, Universiti Malaysia Sarawak. For the first time, this conference will be conducted virtually. The theme for this year's conference is "Inspiring Technologies for Digital Inclusivity" and aims to feature presentations and discussions on the latest challenges, trends and research findings. This is an excellent transdisciplinary platform to learn, present and challenge inspiring ideas.

## Areas of Interest

We seek original research papers that include the following, but are not limited to:

- Ubiquitous & Mobile Applications
- Internet & Web Applications
- Cloud Computing
- Internet of Things
- TRIZ-based IT Development
- Rural ICT
- Database & Information Systems
- Data Security/protection
- Information Security
- Artificial Intelligent
- Computational Modelling and Simulation
- Mathematical & Statistical Modelling
- Social Value of ICT
- Digitalisation of Government Services
- Digital Education for Rural Community
- Digital Commerce for Rural Economy
- Human Machine Interface
- Data Sciences
- Machine Learning
- Technology for Sustainable Development Goals (SDGs)

All accepted papers will be published in one of the following journals:

- International Journal of Systematic Innovation (Scopus)
- Acta Informatica Pragensia (Scopus)
- EDPACS (Scopus)
- International Journal of Business and Society (Scopus)
- Journal of Telecommunications and Information Technology (Scopus)
- Journal of IT in Asia
