

NEUROSCIENCE SYMPOSIUM 2021

Neuroscience in Malaysia: Planning for the Next Decades

Fundamental Neuroscience

Clinical Neuroscience

REGISTER ONLINE
HERE:

DATE: 27th May 2021

FEES: RM30

PLATFORM: Cisco **webex**

Limited to 120 participants!

8

MMA-CPD points
will be awarded.

Event ID:
CPDE23585

Organised By:

In Collaboration With:

EVENT PROGRAM

- 0800** Registration
- 0830** Welcome Speech – Organising Chairman
- 0835** Welcome Speech – MBMNRF Founder

SESSION 1

- 0845** **Keynote Lecture 1**
How to retain the volume of your brain as it ages gracefully?
Prof. Dato' Dr. Jafri Malin Abdullah (Universiti Sains Malaysia)
- 0925** Q&A
- 0935** **Keynote Lecture 2**
Transdisciplinary Neuroscience Research
Assoc. Prof. Dr. Durriyyah Sharifah Hasan Adli (Universiti Malaya)
- 1015** Q&A
- 1025** **Guest Lecture 1**
Neuroscience Drug Discovery: A Cellular Model for Phenotypic Screening
Assoc. Prof. Dr. William Lim Kiong Seng (Universiti Malaysia Sarawak)
- 1055** Q&A
- 1105** **Guest Lecture 2**
Neurophysiology: Use of QEEG in Neuroscience Research
Dr. Muhammed Faruque Reza (Universiti Sains Malaysia)
- 1135** Q&A
- 1145** **Guest Lecture 3**
Developmental Neuroscience: Neuronal Circuit and Morphological Diversity
Dr. Sheena Tiong Yin Xin (Universiti Malaya)
- 1215** Q&A
- 1230** Lunch Break

SESSION 2

- 1400** **Keynote Lecture 3**
Clinical Neuroscience: Neuromodulation – Transcranial Direct Current Stimulation
Assoc. Prof. Dr. Sim Sze Kiat (Universiti Malaysia Sarawak)
- 1440** Q&A
- 1450** **Guest Lecture 4**
Clinical Neuroscience: Deep Brain Stimulation/Functional Neurosurgery
Dr. Lim Swee San (Sarawak General Hospital)
- 1520** Q&A
- 1530** **Research Update 1**
Clinical Neuroscience: Study of Fatigue using Quantitative EEG
Dr. Gregory Xavier (Universiti Malaysia Sarawak)
- 1545** Q&A
- 1555** **Research Update 2**
Fundamental Neuroscience: Optimisation of a PC12 Cell-Based In Vitro Stroke Model for Screening Neuroprotective Agents
Dr. Chua Pin Fen (Universiti Malaysia Sarawak)
- 1625** Q&A
- 1630** Open Discussion and Feedback
- 1700** End

NEUROSCIENCE SYMPOSIUM 2021

INVITED SPEAKERS

KEYNOTE LECTURES

**Prof. Dato' Dr. Jafri
Malin Abdullah**
USM

**A/Prof. Dr. Durriyyah
Sharifah Hasan Adli**
UM

A/Prof. Dr. Sim Sze Kiat
UNIMAS

GUEST LECTURES

**A/Prof. Dr. William
Lim Kiong Seng**
UNIMAS

**Dr. Muhammed
Faruque Reza**
USM

**Dr. Sheena Tiong
Yin Xin**
UM

Dr. Lim Swee San
Sarawak General
Hospital

RESEARCH UPDATE

Dr. Gregory Xavier
UNIMAS

Dr. Chua Pin Fen

NEUROSCIENCE SYMPOSIUM 2021

REGISTRATION FORM

Participant Information

| | | |
|------------------------------|---|--|
| Full Name | : | |
| IC / Passport Number | : | |
| Position / Occupation | : | |
| Institution | : | |
| Mailing Address | : | |
| Email | : | |
| Contact Number | : | |

Registration Fee: RM30.00 only

Payment (Internet Banking - IBG / ATM Cash Deposit)

Account Name : UNIMAS Edu Sdn Bhd
Bank : MAYBANK
Account Number : 561239608898

1. Payment shall be made through the above Official Account.
2. Please indicate "Neuroscience Symposium" during payment.
3. Please email both payment slip and the completed registration form to the Secretariat.
4. Registration confirmation will be emailed to you upon receiving complete registration form and payment.

Cancellation Policy:

1. If you are unable to attend the symposium, a replacement participant is allowed at no extra cost with a written notice provided 5 days prior to the symposium.
2. No refund can be made for cancellation.

Secretariat Contact:

 neuro.unimas@gmail.com
 013-8498157 (Dr. Amirul)
 019-8945000 (Dr. Sim)
